

**Statute**  
**of the Ministry of Investments, Regional Development and Informatisation**  
**of the Slovak Republic**  
approved by the Resolution of the Government of the Slovak Republic No 417 of 1 July 2020  
as amended by the Resolution of the Government of the Slovak Republic No 613  
of 30 September 2020

**Article 1**  
**Introductory Provisions**

(1) The Statute of the Ministry of Investment, Regional Development and Informatisation of the Slovak Republic (hereinafter as the "Statute") defines in detail the competence and tasks of the Ministry of Investments, Regional Development and Informatisation of the Slovak Republic (hereinafter as the "Ministry"), sets out the principles of its activities and internal organisation, and the Ministry's relations with other ministries, other state administration bodies, other public authorities and organisations, legal entities and natural persons.

(2) The competence, tasks, principles of activity and internal organisation of the Ministry specified in this Statute are binding for the issuance of the rules of organisation of the Ministry, and the internal governing acts of the Ministry.

(3) The Ministry is a budgetary organisation. With its revenues and expenditures, the Ministry is linked to the state budget of the Slovak Republic.<sup>1)</sup>

(4) The Ministry is a legal entity. It acts in its own name in legal relations.

(5) The Ministry is the service office<sup>2)</sup>; the Ministry acts on behalf of the state in matters of the public service employment. The Ministry is the employer of employees who perform dependent work for the Ministry in accordance with a generally binding legal regulation.<sup>3)</sup>

(6) The Ministry has its seat in Bratislava.

**Article 2**  
**Competence of the Ministry**

(1) The position and competence of the Ministry is set by a special regulation.<sup>4)</sup>

(2) The Ministry may, within the scope of its competence, establish budgetary organisations, contributory organisations or other legal entities.

**Article 3**

## **Article 5**

### **Management principles**

(1) The Ministry is managed by the Minister for Investments, Regional Development and Informatisation (hereinafter as the “Minister”) who acts on its behalf and is responsible for its activity.

(2) The Minister, in the time of his/her absence, is represented by the State Secretary within the scope of minister’s powers and obligations. The Minister can also authorize the State Secretary to represent him/her in other cases and in the scope of his/her powers and obligations. The Ministry has two State Secretaries; the Minister shall determine the areas and order in which they can represent him/her.

(3) The Secretary General of the service office is the highest civil servant in the Office; this does not apply in relation to a senior employer in a public function.

(4) The Ministry has the following management levels:

- a) the Minister;
- b) the State Secretary and Secretary General of the Service Office;
- c) the Director General of the section, Director of the office of the Minister and Director of the office of the Secretary General of the Service Office;
- d) the director of the department;
- e) the head of the unit.

## **Article 6**

### **Organisation and structure of the Ministry**

(1) The Ministry is organised in sections. Sections are divided into departments, and departments may be divided into units. The Minister may establish a special department, special unit or other specialised organisational unit of the Ministry.

(2) The section is the basic organisational level of management and decision-making, and the performer of the tasks of the Ministry according to the determined areas of activities. The section is an organisational unit with a complete and comprehensive area of conceptual, professional, methodological, administrative and control activities.

(3) An organisational unit of the Ministry is managed by the senior employee of the Ministry. A section is managed by the Director General, a department is managed by the Director and a unit is managed by the head. If the Minister establishes other specialised organisational unit pursuant to paragraph (1), he/she can determine a level of management other than the one described in paragraph (4).

(4) The internal organisational structure of the Ministry, the scope of competence and the definition of the areas of activities of its organisational units, mutual relations between different units, the scope of powers and responsibilities of senior employees of the Ministry are set out in the Rules of organisation of the Ministry.

(5) Employment relations in the civil service and labour-law relations in the conditions of the Ministry are set out by the generally binding legal regulations<sup>29)</sup> elaborated in detail by internal governing acts.

---

<sup>29)</sup> Labour Code, as amended; Act No 552/2003 Coll on the performance of work in the public interest, as amended; Act No 553/2003 Coll. on remuneration of certain employees during the performance of work in the public interest, as amended; Act No 55/2017 Coll.

## **Article 7**

### **Activities of the Ministry**

(1) To fulfil its tasks, the Ministry acts in accordance with the Constitution of the Slovak Republic, constitutional law, legally binding acts of the European Union, international treaties binding for the Slovak Republic, laws and other generally binding legal regulations, resolutions of the Government of the Slovak Republic, statute of the Ministry and the Rules of organisation of the Ministry, internal governing acts and staff regulation of the Ministry, the Plan of main tasks of the Ministry which is based on the Programme Statement of the Government of the Slovak Republic, the Plan of legislative tasks of the Government of the Slovak Republic, the Work plan of the Government of the Slovak Republic for the relevant year.

(2) The Ministry applies in its activities such principles of the organisation of public service, forms and methods of activity, which aim at the streamlining and higher efficiency of its activities by:

- a) Ensuring and applying professional approach to problem-solving as well as systemic control of the fulfilment of tasks;
- b) Cooperating closely with the ministries and other central bodies of the state administration, by exchanging information and documents with them, and discussing the measure relevant to them;
- c) Ensuring and applying the “value for money” principle, observing and promoting the maximum benefit for a reasonable price and cost, and by applying RIA2020 principles – Better Regulation Strategies;
- d) Conducting research and cooperation in research projects, implementing evaluation and public opinion survey in the area of competence of the Ministry;
- e) Using ideas and experience of public authorities as well as the suggestions of the general public;
- f) Using knowledge of socio-economic partners and engaging them especially in the work on addressing issues of conceptual and legislative nature;
- g) Cooperating with socio-economic partners in matters affecting them;
- h) Using efficiently the technical, communication and information infrastructure of the Ministry and the forms of teamwork.

(3) To ensure fulfilment of the conceptual, strategic and other tasks of a decisive nature in the remit of the Ministry, the Minister may establish the permanent bodies of the Minister. They are the meeting of the management of the Ministry or the operational meeting of the Minister. If necessary, the Minister may establish expert advisory bodies of the Minister, coordination groups, steering committees and project councils, commissions and work groups, which discuss important issues in relation to the activity of the Ministry.

## **Article 8**

### **Relations of the Ministry to other ministries, other central state administration bodies, local state administration bodies, local self-government bodies and other bodies and organisations**

(1) The Ministry cooperates with other ministries, other central state administration bodies, other local state administration bodies in accordance with a special regulation<sup>30)</sup>, other generally binding legal regulations and agreements that the Ministry concluded with them.

---

<sup>30)</sup> Act No 575/2001 Coll. as amended.

(2) The Ministry cooperates with the local self-government bodies, socio-economic partners and other subjects in accordance with a special regulation<sup>19)</sup> and other generally binding legal regulations.

(3) The Ministry, within the scope of its competence, also cooperates with the bodies of the European Union and the Permanent Representation of the Slovak Republic to the European Union, bodies of the EU Member States, Permanent Representation of the Slovak Republic to the United Nations Organisation, international organisations as for example with the United Nations Organisation, Organisation for the Economic Cooperation and Development, and other organisations relevant for the areas of competence of the Ministry, including the Ministry's participation in the meetings of the working groups, technical expert groups and committees.

## **Article 9** **Final provisions**

An amendment to the Statute shall be approved by the Government of the Slovak Republic in the event of fundamental changes in the competence or tasks of the Ministry by a change in generally binding legal regulations or a resolution of the Government of the Slovak Republic, on the basis of which the Ministry performs its tasks.

## **Article 10** **Repealing provisions**

This Statute repeals:

1. The Statute of the Office of the deputy prime minister of the government of the Slovak Republic for investments and informatisation (approved by the resolution of the Government of the Slovak Republic No 204 of 1 June 2016 as amended by the resolution of the Government of the Slovak Republic No 556 of 12 December 2018).
2. The Statute of the deputy prime minister of the Government of the Slovak Republic for investments and informatisation (approved by the resolution of the Government of the Slovak Republic No 202 of 1 June as amended by the resolution of the Government of the Slovak Republic No 555 of 12 December 2018).

## **Article 11** **Entry into force**

This Statute was approved by the Government of the Slovak republic by its resolution No 417 of 1 July 2020 and enters into force on 1 July 2020.
